                                                                                                                         Sept 2021 – March 2024
**Sardar Patel University** , BCA
- GPA: 7.75

**Sarshvati Vidhyalaya, Vadodara** , 12th                                                                     May 2021
- Percentage: 52.60

**Shree Gayatri Vidhyalaya, Una** , 10th                                                                    March 2019
- Percentage: 59.69

## Projects

**Hotel Management System**
**Academic Project | Bachelor of Computer Application (BCA)**
**Tools & Technologies:** PHP, MySQL, HTML/CSS, JavaScript, Bootstrap
Developed a full-stack Hotel Management System as part of the final year academic project, designed to streamline hotel operations and improve guest experience. **Key Features:**

- **User Module:** Room booking, customer registration, invoice generation

- **Admin Panel:** Manage rooms, track check-ins/check-outs, handle customer data

- **Database Integration:** MySQL used to store and retrieve customer, booking, and billing data securely

- **Responsive Design:** Built with Bootstrap to ensure compatibility across devices

- **Role-Based Access:** Separate login system for admin and customers for security and access control

## Technologies

**Technologies:** HTML, CSS, JavaScript, PHP,  .NET, Microsoft SQL Server, Bootstrap, Illustrator
